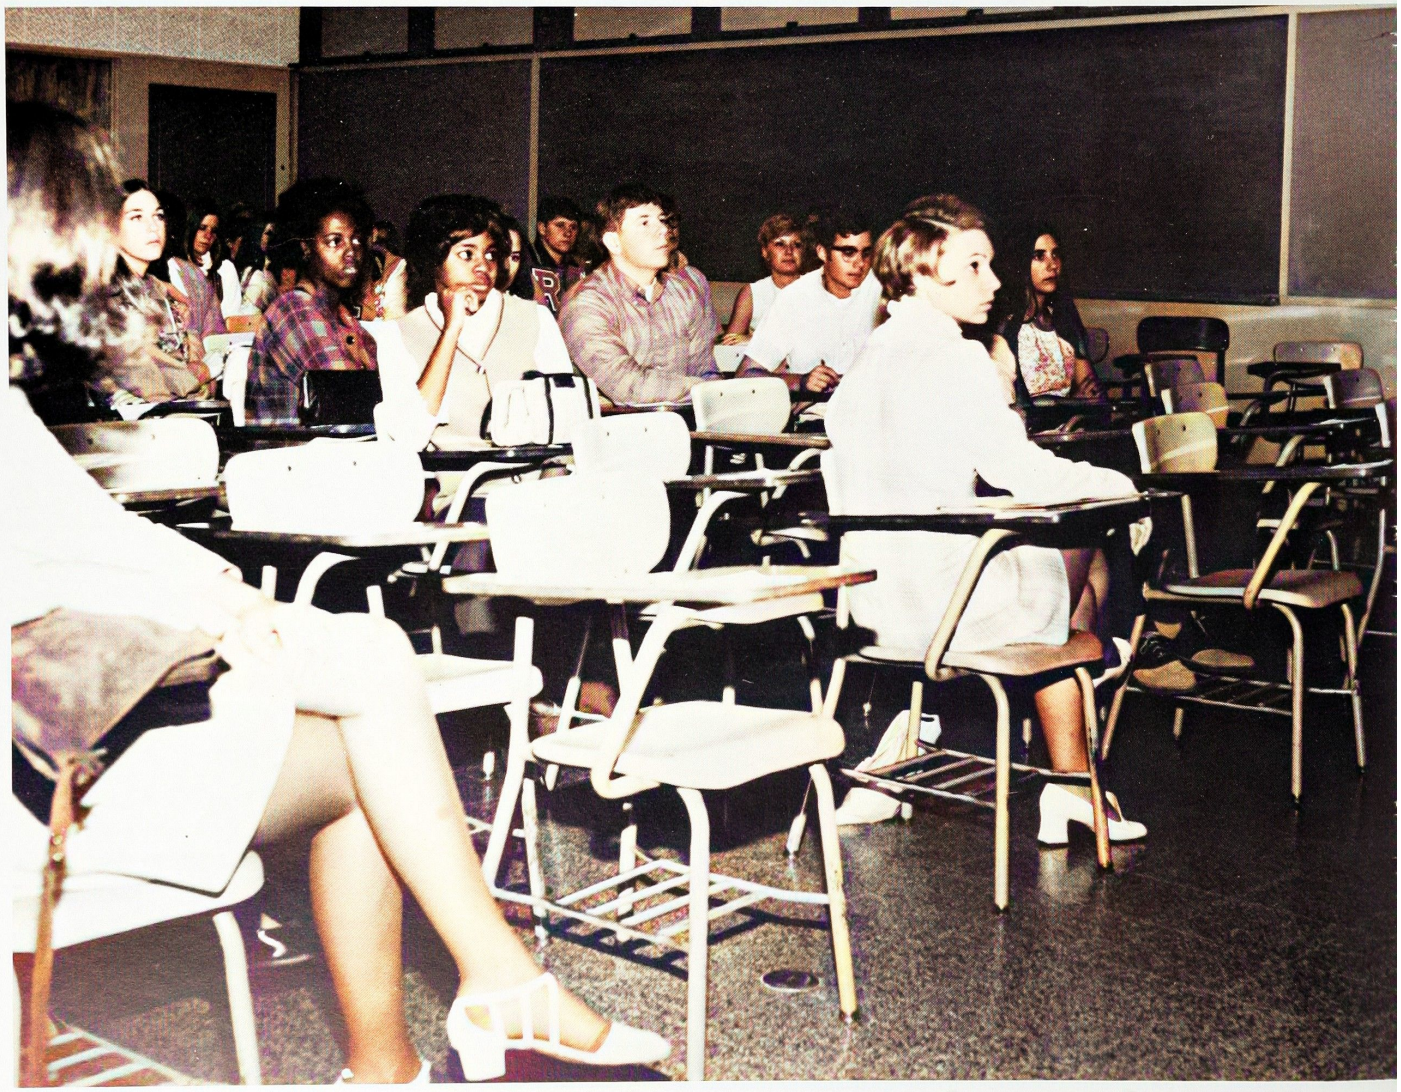
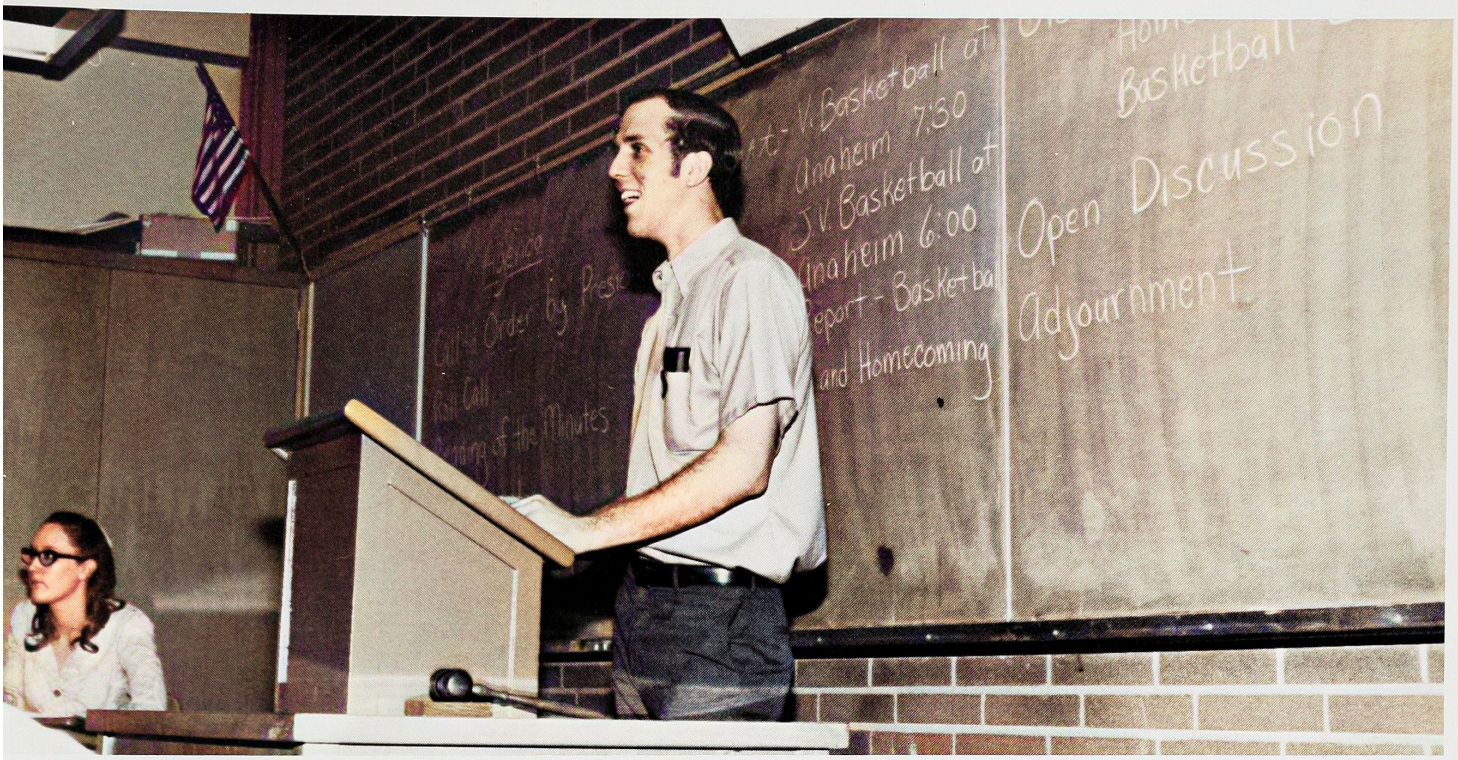
Government by the students at Ramona is a tradition. The USB Council deals with all matters of USB policy in regard to students, faculty, and administration. The Activities Board, headed by Sandy Dunbar, takes charge of organizing and supervising Student Body activities. Under the direction of Mr. Favier and President Mike Agnew, the USB Cabinet started off the year by calling for volunteers and successfully painting the bleachers Columbia blue and white. In between a car wash and thinking up new ways to earn money, a special assembly for Activity Card holders-a Steve Gillette Concert-was held. Steve Gillette, a well-known composer/performer, received a standing ovation from enthusiastic listeners. Congressman John Tunney also spent a day on campus and spoke to Ramona students.





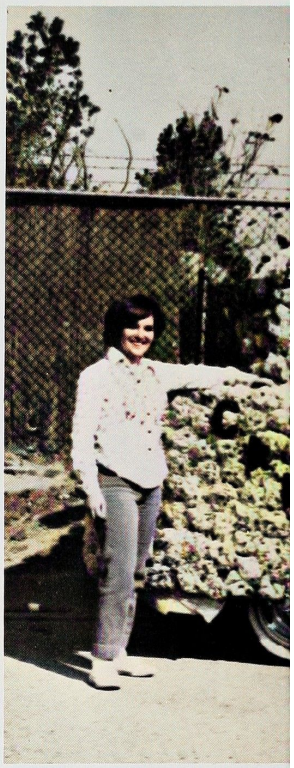
LEGISLATURE

Ramona's Legislature, presided over by Dave Madison, is composed of representatives from each advisory class who are elected for a one-semester term. During the meetings legislators can express their views on currant student issues as well as originate bills which, when ratified by the USB Council, become permanent by-laws. The Legislature is the most accurate voice the students have at Ramona.

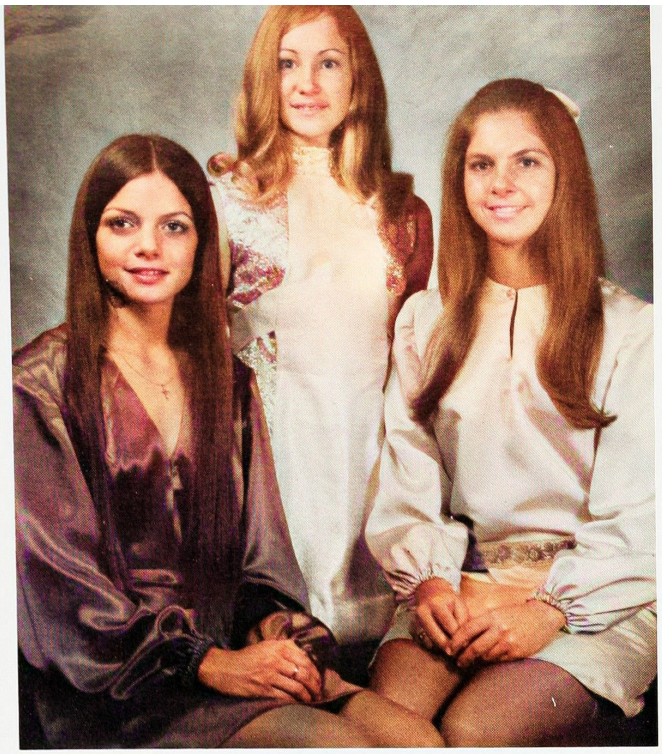
A new music machine, a juke box, has been added to the cafeteria by the first-semester Legislature. After a committee investigation, headed by Keven Kane, of methods of supplying music, delegates voted to rent a juke box from Associated Coin Amusement Company of Riverside. With the records changed every two weeks the music machine has been eating up those Ramona dimes and quarters.

HOMECOMING '69

Friday, November 14, 1969 found many students making hurried last-minute preparations on their floats and cars before the judging began. Then at 3:00 the traditional parade started out of the parking lot and down Magnolia, giving Riversiders a chance to hear and see Ramona's fighting spirit as well as view the colorful entries. At the Plaza Pep Rally the Homecoming candidates were introduced amid cheers and the jubilant Sophomores collected their Sweepstakes trophy. The First Place trophy went to the Seniors while the Junior float placed second.

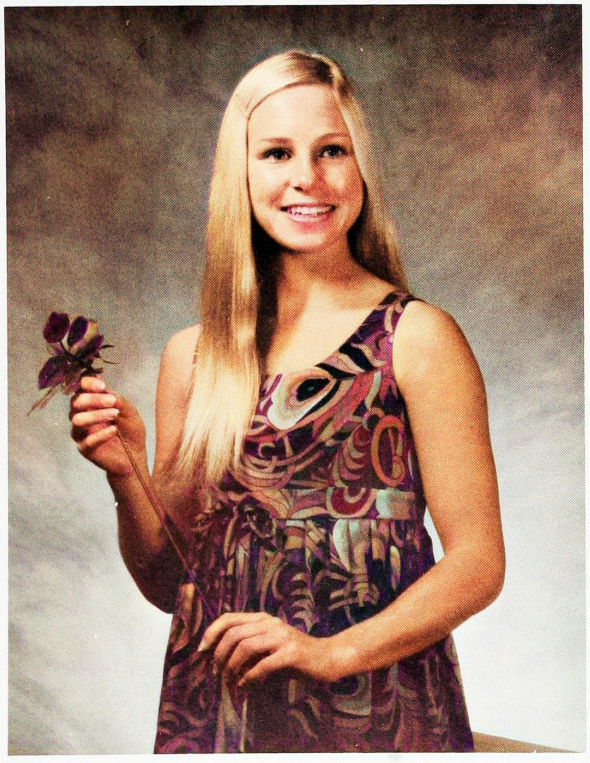


NO APPOINTMEN
NEEDED

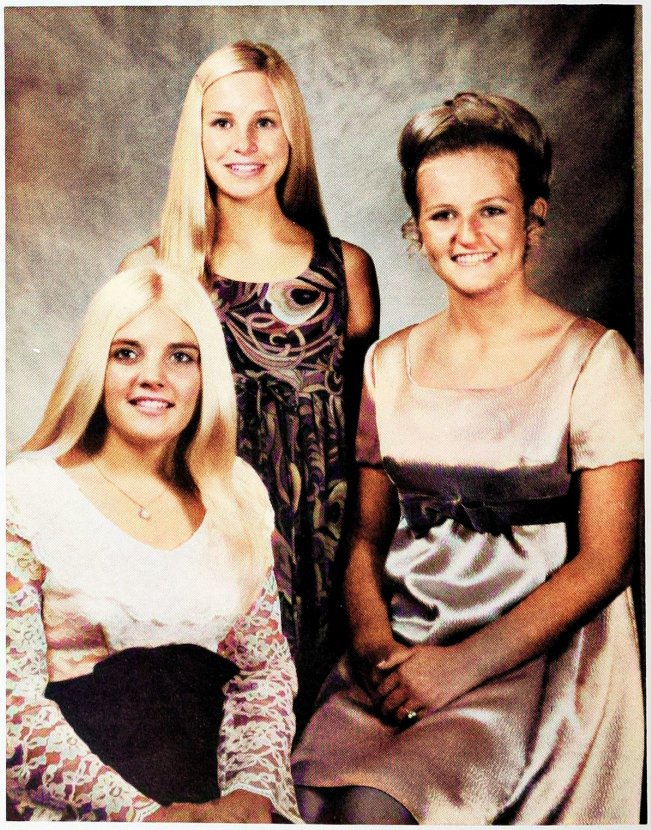


Junior Princess Candidates are: SHERRON LAMB, MARI BLACKMAN, and MARIA BRUSCA.

MARI BLACKMAN, JUNIOR PRINCESS



BRENDA ZWEIBOHMER, SOPHOMORE PRINCESS

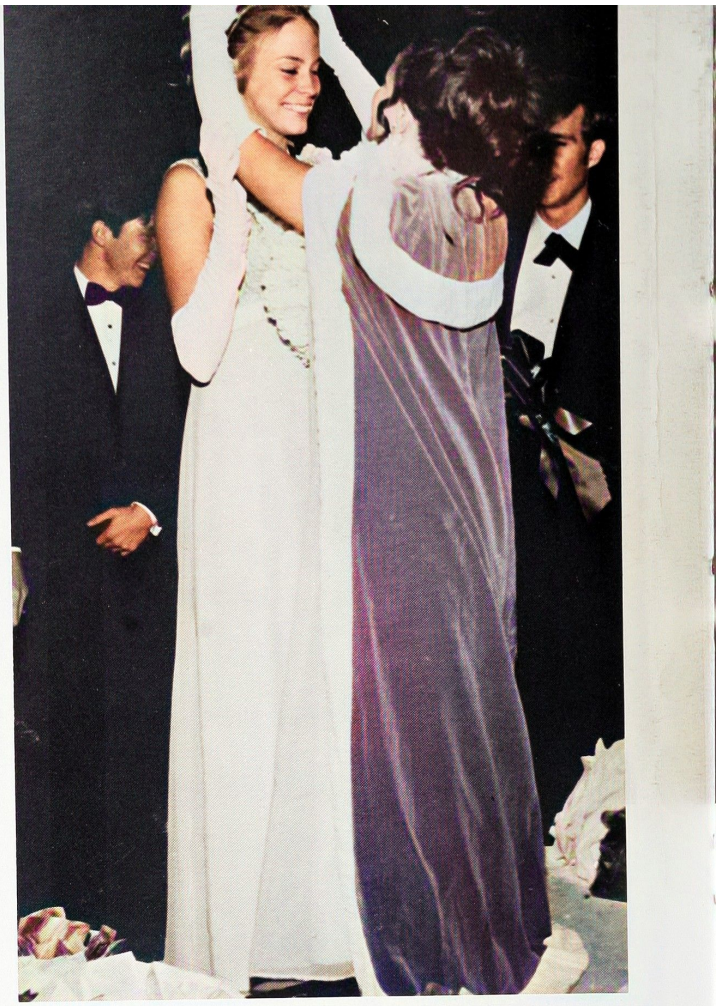


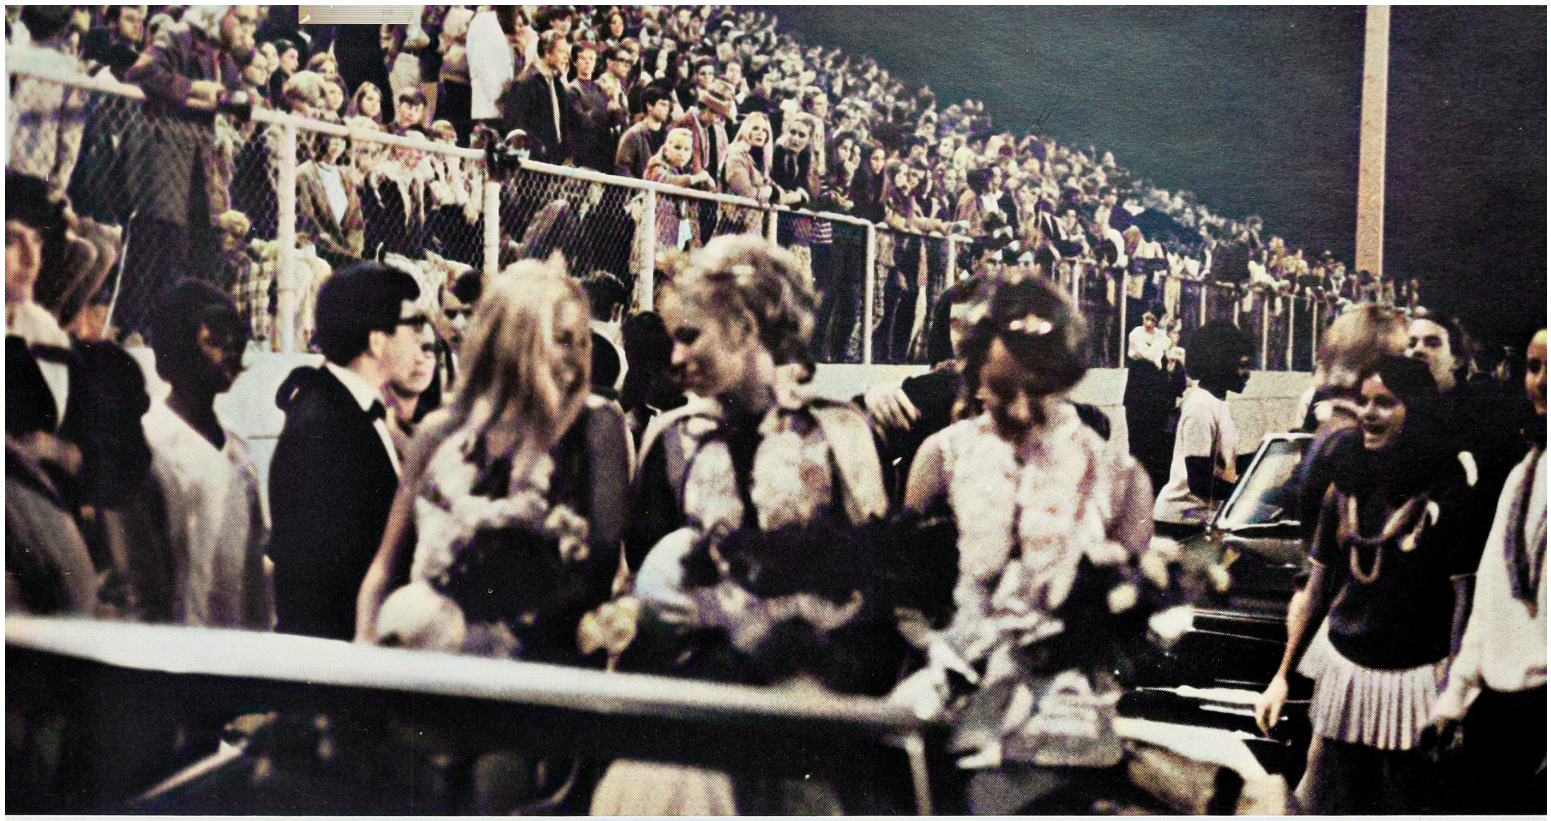
Sophomore Princess Candidates are: BARBARA LUGG, BRENDA ZEIBOHMER, and LANNA LO.

JAN DEFENBAUGH, HOMECOMING QUEEN

Chosen by the Student Body in a general election, the Queen and two Princesses reigned over Homecoming, But this year tradition was broken and a new selection process was put into effect. Instead of the football players choosing the candidates, each advisory had the opportunity to elect them. The process of narrowing down the selections was reserved for the football, water polo, and cross country teams. The final candidates were presented, photographed, and their pictures displayed in preparation for the election of the 1969 Homecoming Court.

Queen Candidates from l to r are: Linda Schaefer, Debbie Modesitt, Sherry Wagg, Vivien Schueller, and Jan Defenbaugh.





JAN DEFENBAUGH CROWNED 1969 HOMECOMING QUEEN AS RAMS SPEAR THE SPARTANS 34-0.

Following the torchbearers who started off the Hawaiian half-time ceremonies, the Band and Drill Team marched onto the field to the strains of Hawaiian melodies. The crowning of Jan Defenbaugh, Mari Blackman, and Brenda Zweibohmer proved to be the highlight of the victorious game between Ramona and San Gorgonio. After the game, the final one of the season, the Queen and her court reigned over the Homecoming Dance held at the UCR Commons.

The Dress Code under which Ramona has been operating states the following as requirements: 1) Hair must be neat and clean, 2) Length of girl's skirts should be such that under garments are not visible; further beach wear and low cut dresses are not considered suitable for school, and 3) Footwear should be worn that will offer adequate protection against injury. The Human Relations Committee will have the opportunity to revise the present code and will act as an interpretive board, judging whether a student is in violation of the code.

SERVICE MEMORIAL

A committee of three students and three teachers planned a memorial to Ramona alumni who died in uniform of their country. The committee was composed of Don Eusey, Pat Hanlon, Sue Jensen, Mr. Louis Baer, Mr. George Read, and Mr. Howard Snell. Students, teachers, and school employees contributed funds. It will be constructed behind the front flagpole as a lasting tribute. The Reynolds Metals Company donated free aluminum for the plaques and Mr. John Wuerch's metals shop classes offered to mold them.

Each alumnus will have an individual plaque bearing his name and class year. There will also be a large dedicatory plaque atop a cement rostrum. The memorial is not limited to veterans of Vietnam but includes all who died in military service since the opening of Ramona High, whether at home or abroad, in peace or in war.

Those who will be honored include:

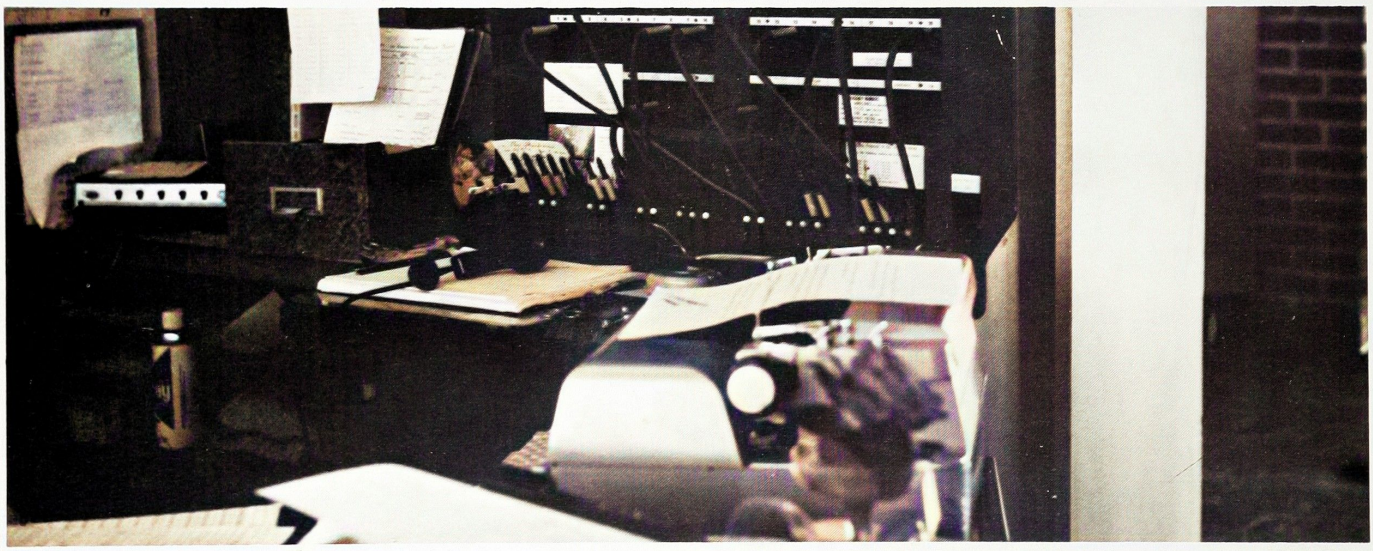
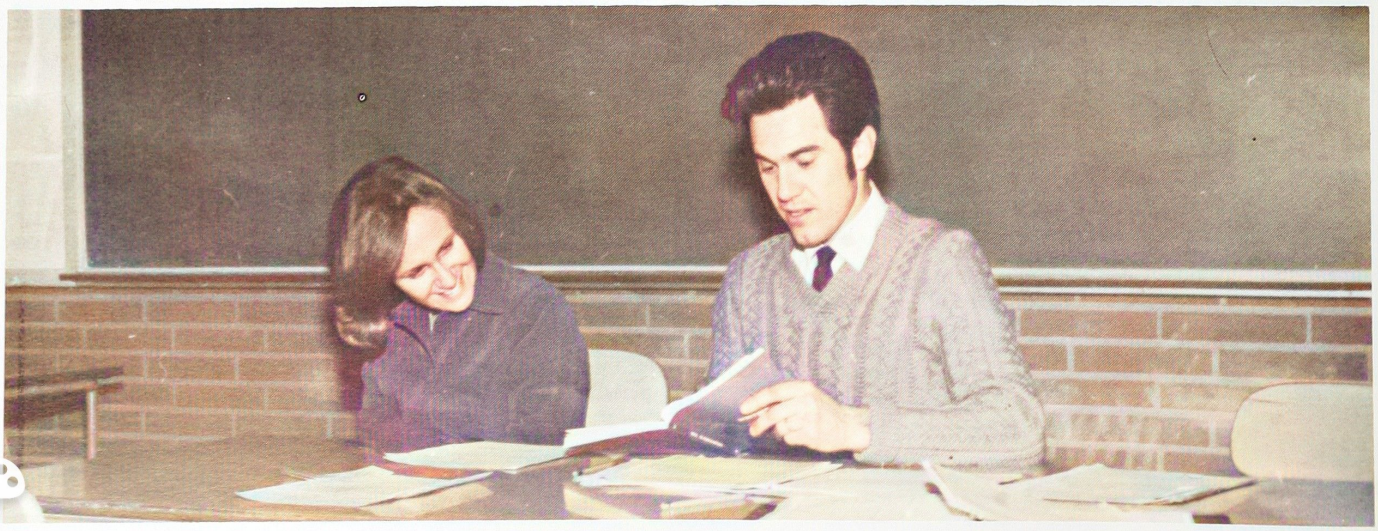
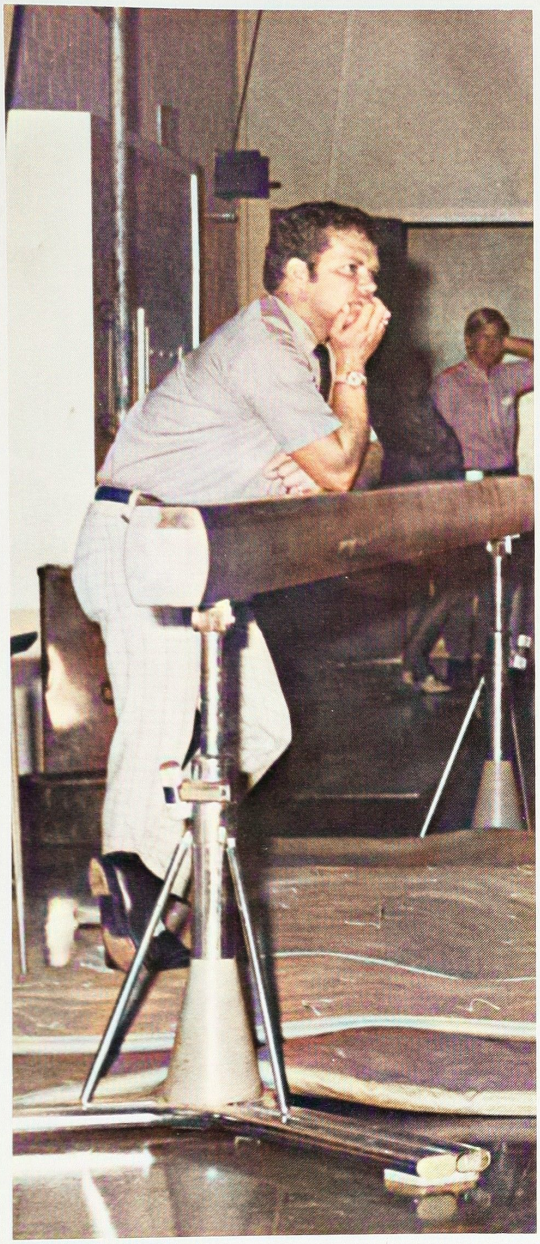
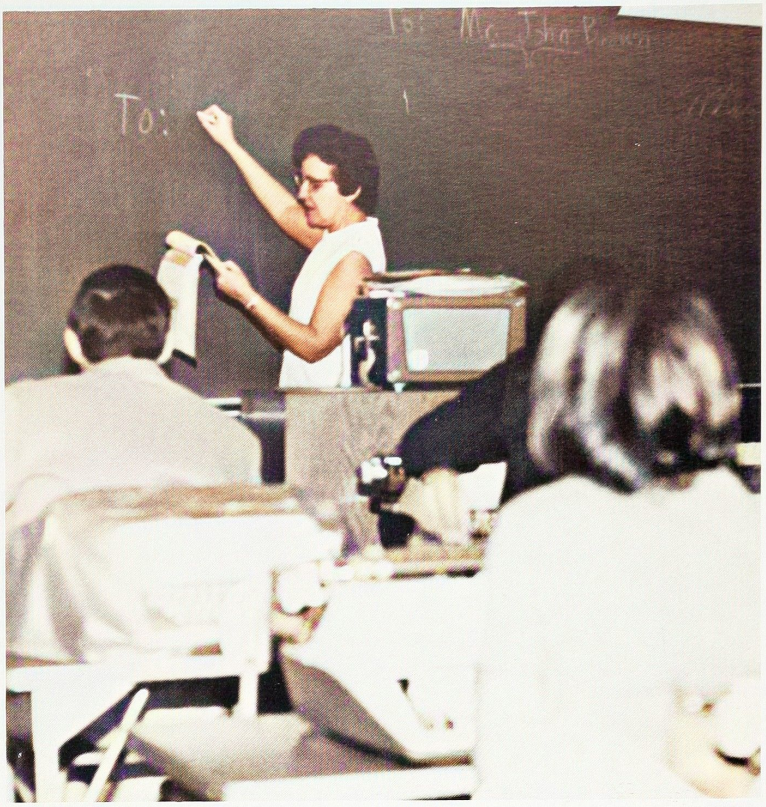
FACULTY

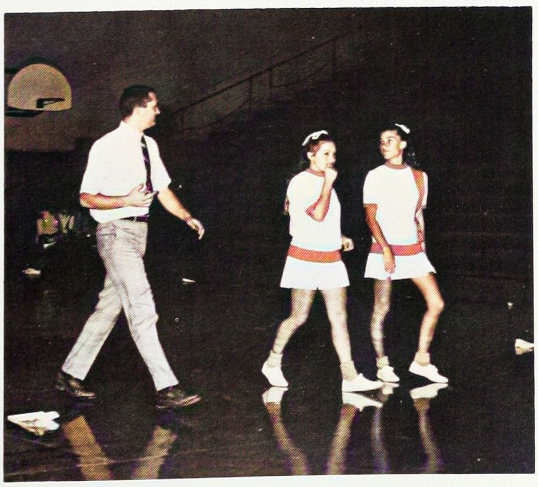








To:



It is a crucial moment at a varsity football game and Mr. Esgate watches anxiously.

GEROULD ESGATE

Ramonas eminent principle

The running of a school the size of Ramona is certainly not an easy job. It takes a person with a great deal of patience and more important than anything else, it takes someone who really cares. Mr. Esgate has shown that he cares by standing strong throughout the never ending problems of day to day life at a high school the size of Ramona. He has given a good portion of his life to Ramona and we should feel grateful that he is so devoted to us.

BOARD OF EDUCATION

Pictured above are the members of the Board of Education, a group of citizens who show their concern for our community by devoting much time and effort towards solving problems which arise in our educational system. They are from l to r - Richard Christensen, Dr. Vernon Stern, Ray Berry, Arthur Littleworth, Ernest Lopez, Mrs. Maxine Frost.

Mr. Esgate listens attentively at one of the P.T.A. meeting.

PARENT TEACHER ASSOCIATION

The P.T.A. plans assistance for the slow student

The purpose of the P.T.A. appeared to be under some discussion this year, efforts which seem futile, since its true purpose can be realized by anyone who attended a P.T.A. meeting. It es not a fund raising organization, but one created to help the youth, as shown by the plans for assisting slow students. Parents and teachers are interested only in helping the youth, and their efforts are appreciated.

Melba Dunlap and Sarah Huskey of the P.T.A. lead a discussion at one of their meetings.

Pictured below, front row sitting, Helen Sullivan, Dickie DeLoss, Ruth Hoxie, Eunice Defenbaugh, Barbara Allen, Melba Dunlap, Ruth Lanfranco. Standing, Nancy Goss, Sarah Huskey, Lucretia Uhrich, Marjorie Rickert, Harriet Ahlswede, Carol Walker, Florence Wood, Mr. Esgate, Jerry Shanahan, Louise Nash, Doris Thornton.

Pictured above are the helpful counselors in the Guidance Department. They are from l to r - Dorothy Gorman, Everett McCormick, Nancy Goss, Roger Moore, Lou Ann Archbold, Jean Cosentino and Phil Laney.

GUIDANCE DEPARTMENT

Influence of Counselors in high school reaches beyond high school realm

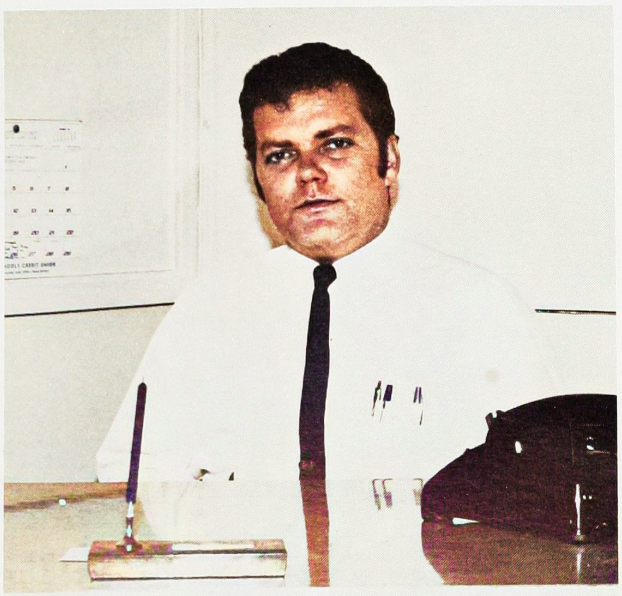
The Guidance Department at Ramona is busy with students seeking the advice of their experienced counselors. Academic concerns in high school involve only half of the interest counselors take in their students. They are consulted for advice concerning the futures of many students who seek information and suggestions on various colleges.

RAMONA

Mr. William Krogh is Ramona's Dean of Attendance. Each day he handles the never ending problem of attendance. A school the size of Ramona has an inevitable attendance problem, but under the supervision of Mr. Krogh the attendance department has remained orderly and efficient.

Mrs. Narci Emanuel is Ramon's Dean of Girls. She has been at Ramona for thirteen years, acting as Dean for all thirteen. As Dean she becomes responsible for anything concerning the girls here at Ramona and is involved with their problems, helping any way she can. She is in charge of Ramon's Girls League, also.

Mr. Dale Favier is Ramon's Director of Student Activities. It is Mr. Favier's first year at Ramona and he has already proved to be very capable and competent. Besides he busy job as Director of Student Activities Mr. Favier teaches Government and is in charge of our student government.



MR. DALE FAVIER

Mr. Roland Krieb is Ramon's Dean of Guidance. He has been at Ramona for thirteen years, acting as a counselor for ten and the Dean for the past three. He has been responsible for the development of new and helpful systems created to benefit students and has been a great asset to our school.

ADMINISTRATORS

Mr. Robert Flores is Ramon's Dean of Students, a job which he has put full effort into. Mr. Flores arrived late last year and works with students in discipline, counseling, guidance, and scholarships and jobs for disadvantaged students. He teaches Mexican-American History, coaches football, and is in charge of the tutoring program and the lockers. Promoting the relationship among students is his main concern.

Mr. Arthur Bazil is Ramona's Assistant Principal. He has also held the positions of Dean of Attendance and Dean of Boys within the past thirteen years that he has been here. Mr. Bazil's job now generally concerns the curriculum development and scheduling, which involves report cards and all sorts of data processing.

Mr. Tom Williams is Ramon's Vice Principal. He has been at Ramona for thirteen years serving as the basketball coach for his first nine. His main job involves the discipline of the students and he is also the athletic director.

EDUCATION

Everyone needs to feel and be physically fit. The Physical Education Department at Ramona gives students the opportunity to develop their skills in various sports and to maintain their fitness. Such sports as hockey, softball, swimming, tennis, modern dance, volleyball, badminton, gymnastics, and rhythm gym are offered. The variety in sports is wide enough so that all students can be satisfied.

Girls practice routines in their rhythm gym class.

THE LIBRARY

Students find library advantageous to their needs.

The Ramona library is convenient and available for any student. Peace and quiet may be found there so that you might settle down to some serious homework or maybe just a good book. The library offers a wide variety of literature and assistance for any student by the helpful librarians.

FOREIGN LANGUAGE

World scene stresses importance of language'

In this rapidly shrinking world of the International Man, it is almost imperative that Americans learn the languages of their foreign counterparts. At Ramona students may study French, Spanish, German, or Latin, all interesting and useful languages in the World Scene.

ENGLISH

Through variety in courses students broaden their interests

The Ramona English Department is one of variety and interest. When requirements are out of the way students may select from a broad list of courses, classes which they can really enjoy. English is an important aspect in the Academic area and should be included each year in the students schedule. By giving the student a better chance to find a course he'd enjoy, the department has solved the problem of lack of interest.

ART

The Art Department benefits all fine arts areas at Ramona

The usefulness of the art department extends beyond that of the art students themselves. Others, like the music and drama members utilize their equipment and talent in such things as the making of advertising posters. Besides these extras though are the many interesting classes offered and the most talented and helpful instructors which make it the fine department it is.

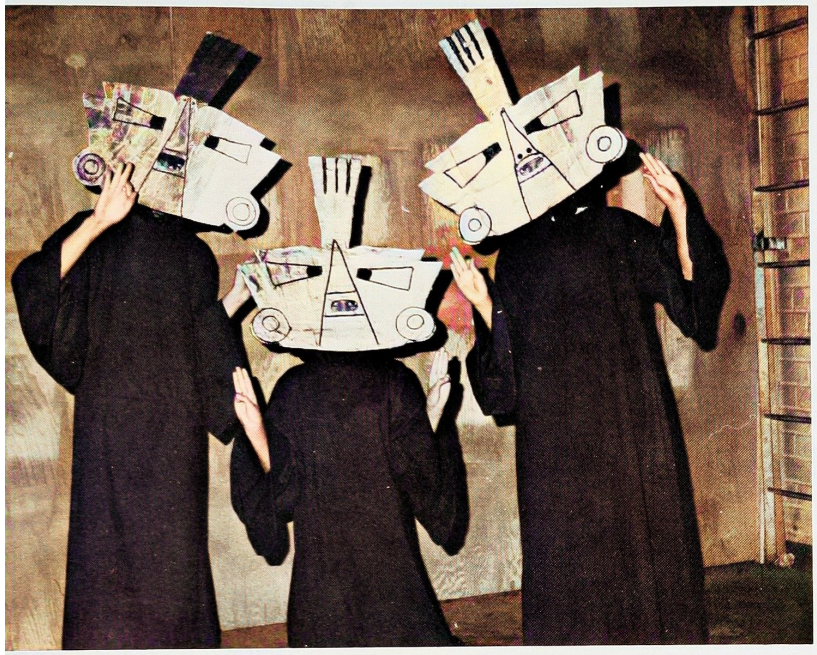
DRAMA

Three major productions dominate play schedule.

Drama is a very popular activity at almost any high school as it gives students a chance to express themselves freely. This enjoyment of expression is apparent in the outcome of the drama departments efforts.



An interesting addition to any play is choreography.

Randall Davidson

A great deal was put into costuming in the plays this year, an appreciated addition.

MUSIC

Involvement and concern create successful musical organization

Musical talent, either instrumental or vocal, can be exercised and put to entertaining use in the music department at Ramona. The department is run by two very devoted and concerned instructors who deserve a great deal of credit for their successful efforts.

MATH

Precision and intuitive thinking sought

Algebra, Geometry, Calculus, and Trigonometry are the challenging courses offeres in Ramona's math department. Math is a subject that students remain involves in as it can be related to so many other things such as architecture, engineering, and even homemaking. Ramona's math teachers guide students in these basic mathematic fields.

A great deal of serious thinking is being done by students today. They are collecting their thoughts and making some final decisions and opinions on such subjects as the Viet Nam war. Here students demonstrate peacefully against the war.

Mrs. North leads a group discussions in one of her World Cultures classes.

SOCIAL STUDIES

Students widen perspective in politics and world affairs

Social Studies courses at Ramona are quite sufficient in covering the required subjects taken by students, but this year more than ever, the up to date events in politics and world affairs have become an important part of Social Studies classes. More open discussion and expression has brought out this special interest which will be conducive to future beliefs and active participation in political affairs. This is a very important part to fulfillment of one's own rights as a citizen in our democratic society. The Social Studies classes have, thus, been very beneficial.

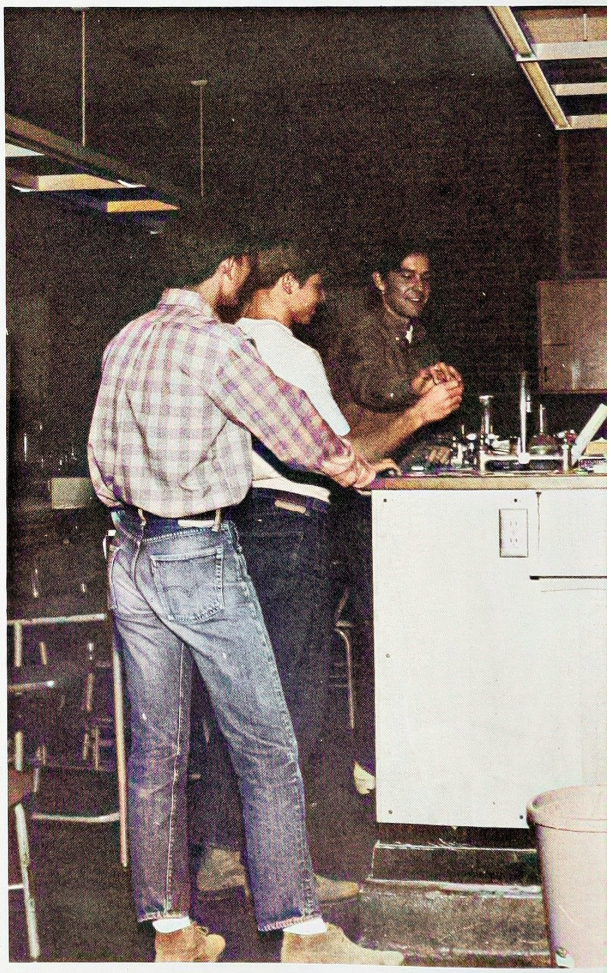
SCIENCE

Understanding of science is key to life

Learn how matter broke up to form the universe, the earth. Study how elements combine to form compounds. How life was created from basic building blocks-carbon, hydrogen, oxygen, amino acids. Dissect frogs and see the life process. Learn what makes plants green and why they bend to light. Take a trip to infinity through the dimensions.

Chemistry students participate in a required experiment.



Mrs. Eakin instructs a Typing I class in business letters.

BUSINESS EDUCATION

Business Ed classes set careers

In considering future employment many students have selected business education as their main course of study in high school, as it can be utilized in just about any chosen field. Development of specific skills, such as typing, shorthand, and business math can be very helpful for not only a career but for personal use, too.

INDUSTRIAL ARTS

Industrial arts classes learn and experience

In such classes as Auto, Electric, Drafting, Architecture, and Metals, students may learn essentials for a career, hobby or for just convenience in later life. Learnings in these classes are applied to practical use as students work on their own projects in work shops, auto shops, and drafting classes.

HOME ECONOMICS

Girls prepare for future responsibilities

Every girl wants to be a good cook and will, no doubt, someday be expected to at least know how. It is just one of the many responsibilities that the female must take on as her part in a family. Courses at Ramona can prepare a girl for such responsibilities and even more. Child Development, sewing, home nursing and food planning are all offered and equally valuable in the years to come.

Driver Education

Safer drivers result from efficient training program

The driver education and training program plays an important role in the safety of teen-age driving. In it a student learns about state laws and to abide by them. Both simulated and actual driving lessons are given and also instruction on first aid. This course is designed to well prepare a person for the privilege of driving. Mr. Vincent Jacobsmeyer is the Driver Education supervisor and along with him are several other Ramona teachers who assist in the Driver Training Instruction.

Students experience actual driving conditions in the driving simulator.

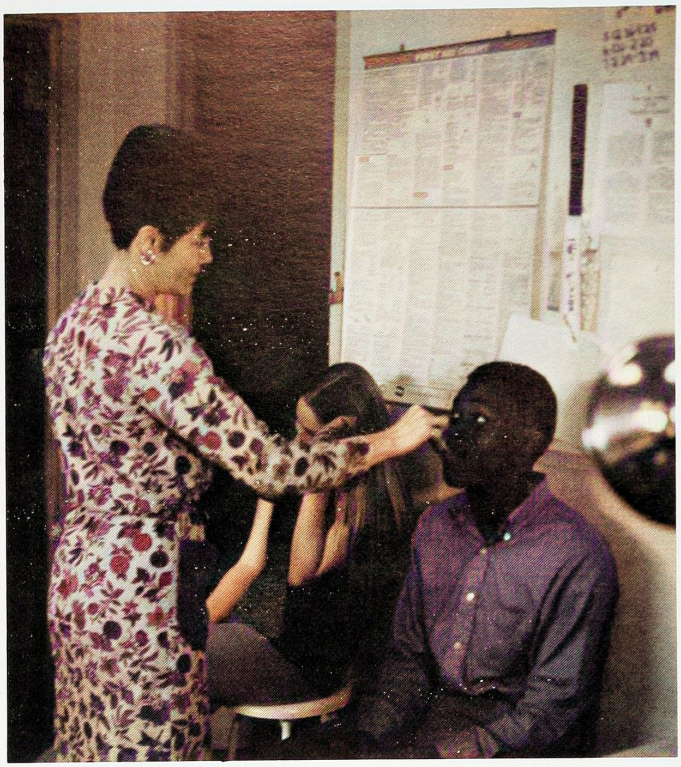
HEALTH OFFICE

The Health Department at Ramona is a very busy office. It has its morning and lunchtime rush hours along with the regularly intervaled swarm of ailing students. Whatever it takes- a rest, reassurance, a thermometer, peppermint water, or just a phone call home, Mrs. Vieman or the health office secretary, Mrs. Jean Thompson, are more than willing to help.



Eddie Jackson gets his temperature checked by Mrs. Thompson in the Health Office, pictured at right.

SPECIAL EDUCATION

The Special Education Department at Ramona is unique in that it slows regular teaching methods for easier comprehension. The teacher-student ratio is much smaller, and therefore makes the classes more beneficial to the student. More individual help may be given this way.

Everett Roeder

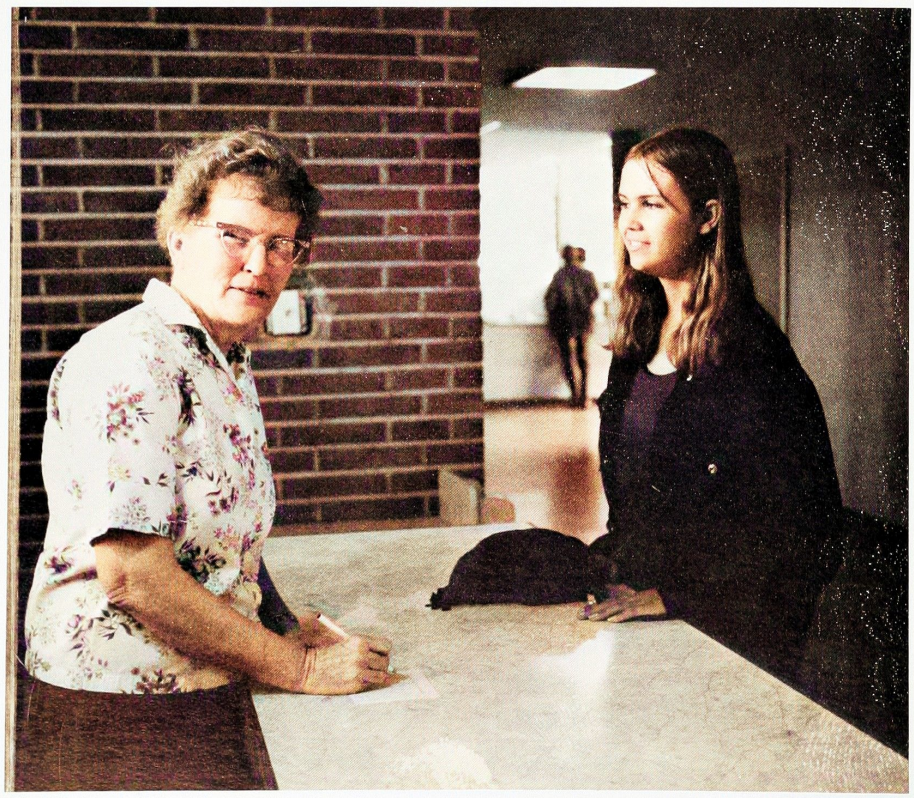
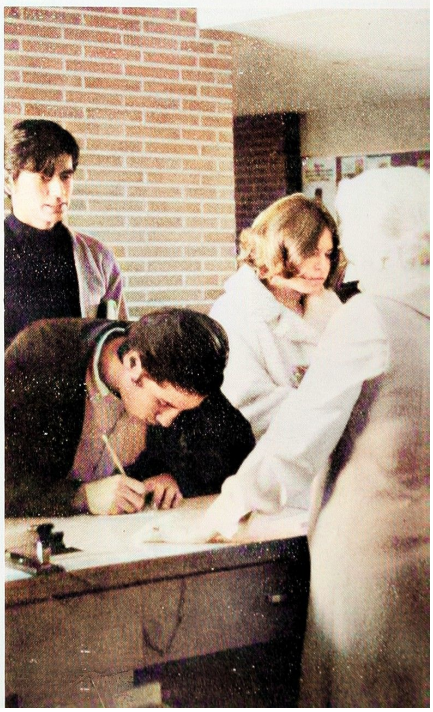
A familiar and friendly scene in the office is Mrs. Woolley, who is the bookkeeper.



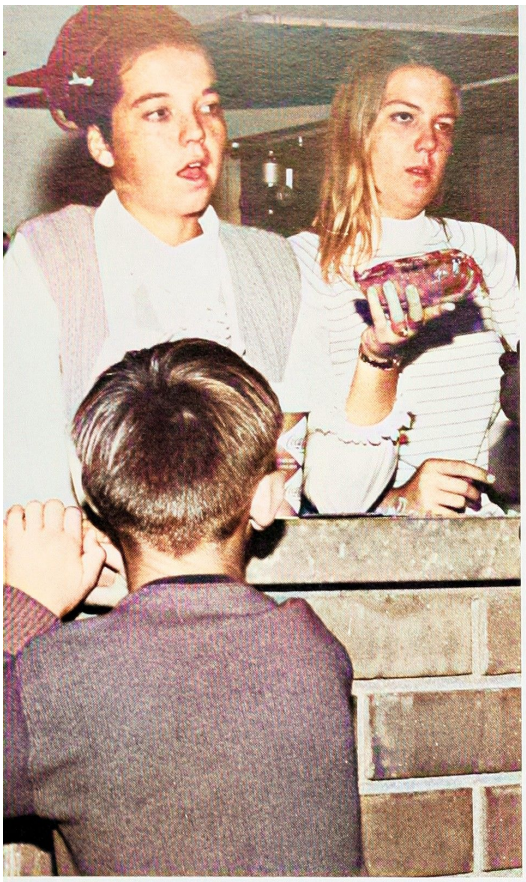


Pictured above are Ramona's secretaries. They are from l to r: Row 1- Helen Harr, Martha Seip, Audrey Lofstrom, Mae Myers, Bettye Ruhlman, and Mary Sanford. Row 2- Beatrice Woolley, Bette Hodge, Mary Baird, Margaret Wimsett, Louise Finch, and Mary Pollock.

SECRETARIES

Ramona's secretaries have quite a job in running a school this size, but hard work doesn't keep them from presenting a smile each day. Among their many tasks are sending transcripts to prospective colleges, assisting people run the ditto machine, distributing the mail and attending to visitors. They are always willing to help to the best of their capability.

Mornings always find the Attendance Office busy with students.



The appetite of Ramona students never ends as can be seen at lunchtime or even a football game.

CAFETERIA

Hungry students flock to cafeteria

A cafeteria is always a welcome place and especially if there are thousands of hungry students. Friendly cafeteria workers at Ramona cope with the day to day effort of feeding those hungry students. They offer variety in well balanced meals or can satisfy a sweet tooth. It is not an easy job but Mrs. Walden, our cafeteria manager, and her staff do just fine.

These are the Ramona cafeteria workers. They are from l to r; Row 1- Mrs. Jenks, Mrs. King, Mrs. Murinka, Mrs. Ritchey, Mrs. Lasater, Mrs. Walker, Mrs. Walden. Row 2- Mrs. Swinfard, Mrs. Dondero, Mrs. Smith, Mrs. Crabb, Mrs. Ingram, Mrs. Howard, Mrs. Kendall. CUSTODIANS

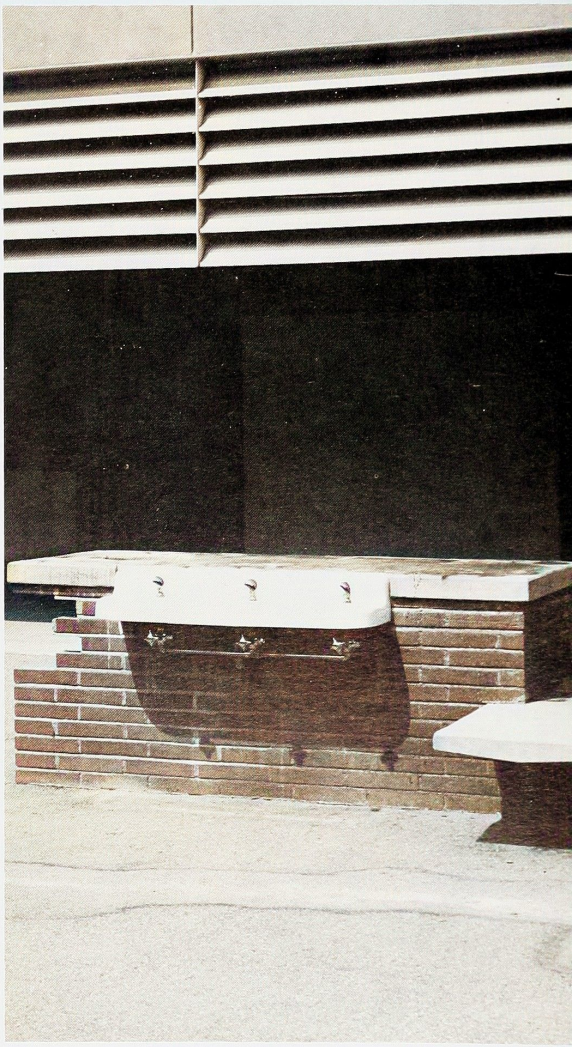
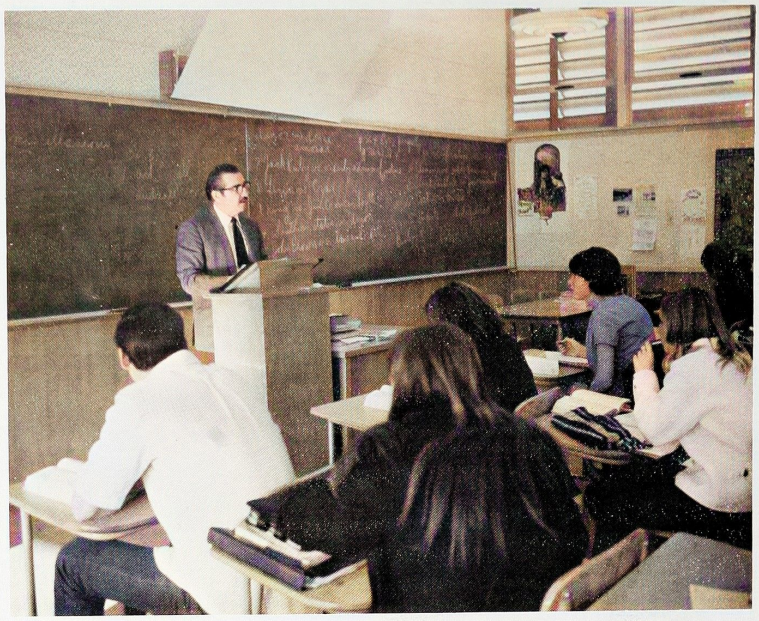
Busy custodians keep up with campus clean-up

The Ramona custodians are always on the job as a campus the size of ours is in constant need of something. It may be trash that needs to be collected, a lawn that needs mowing, a hedge trimming, trash burning, or an all around clean-up. Whatever it may be though, it gets done by our efficient custodians under the direction of Mr. Frank Perez, the head custodian. We appreciate their hard work.





CLASSES

CLASS OF 1970

The Senior Class commences the beginning of a new decade with fresh hopes and ideas to make their final year memorable.

Hesitantly the Acnes embarked on their sophomore year. They were faced with the traditional intiation into Ramona and the adjustment to a larger campus. Along with this adjustment came many newly formed friendships. These friendships continued to emerge throughout their junior year when they became more assured of themselves and of the surroundings. With the challenge of their final year, new expectations and enthusiasms were aroused. The friendships they had made were now deeply implanted, and they had begun to seriously consider plans for the future. The year sped by much more quickly than expected, and with mixed feelings of reluctance and happiness they departed from these familiar surroundings.

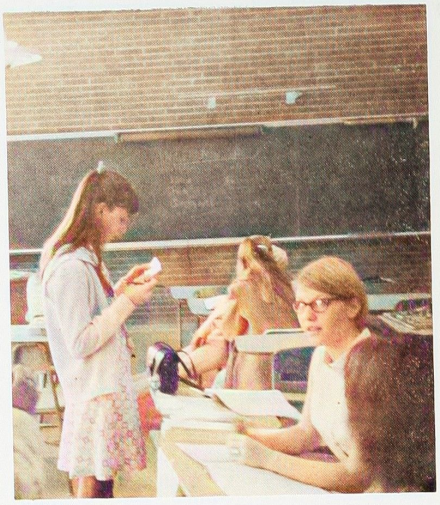
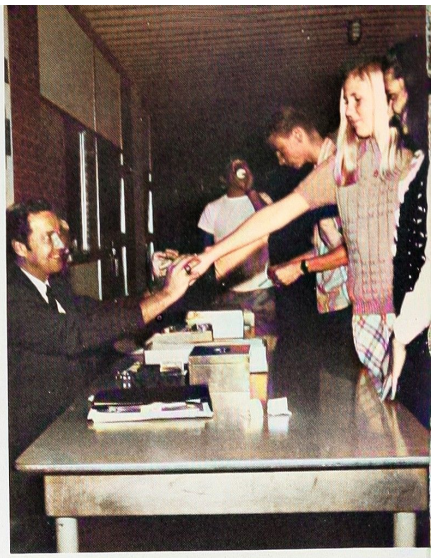
As Marilyn Stephens ponders over the ballot for Junior Class Publicity, Karen Southwick looks on with interest.



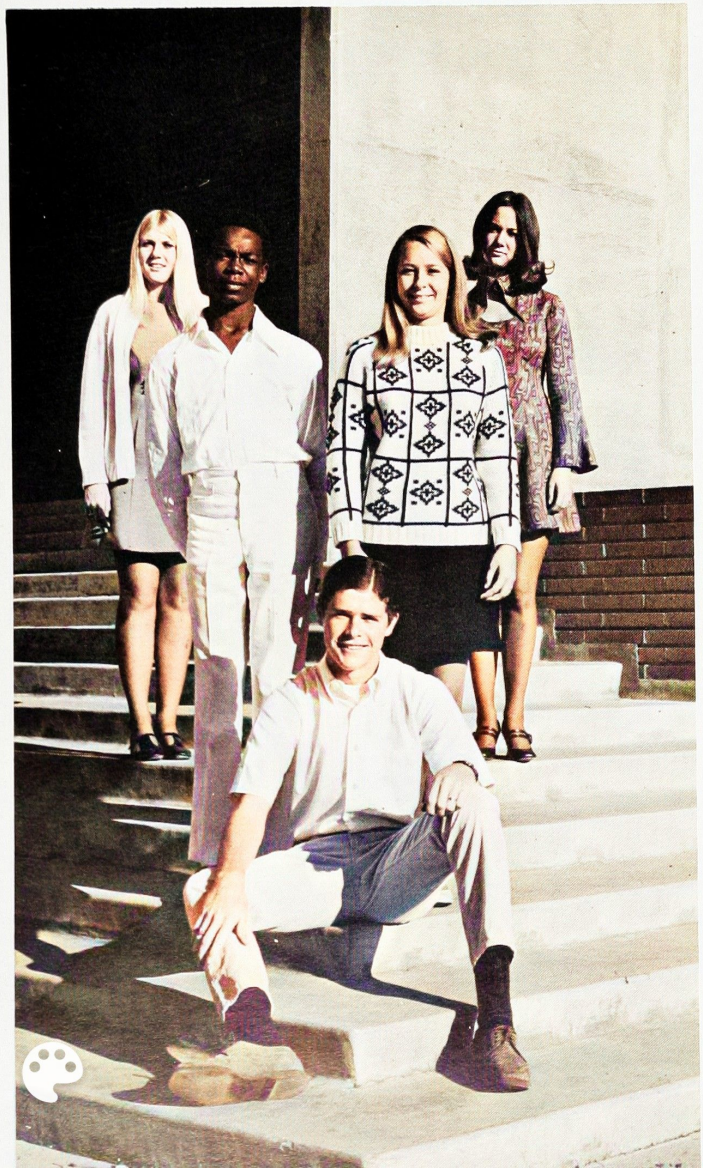
JUNIORS EARN VOTE SPEND THEIR WAY THRU SECOND YEAR



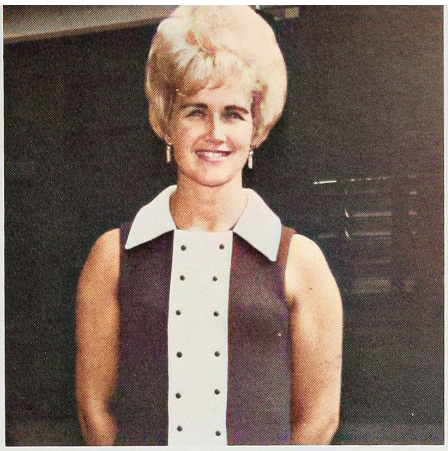
Cindy Ely, of the Class of 71' receives her class ring eagerly from the ring representative.

The leaders of the prosperous Junior Class of '69-70' are: Front: Mark Linton, President; Left to right: Eric Robinson Publicity; Julie Christinson, Vice-President; Sandy Rasp, Secretary; and Michelle Casseday, Treasurer. Missing is Linda Buck Social Chairman.

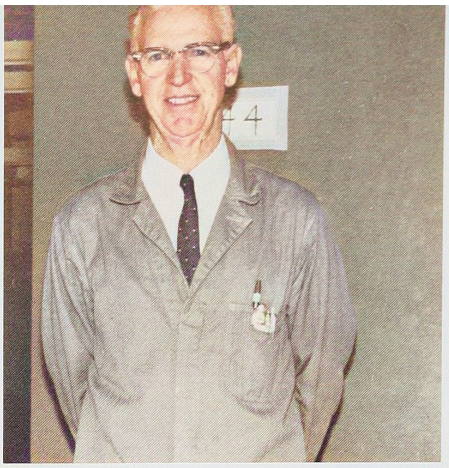
One of the many hard-working Juniors, Kathy Pogue sells a hot-dog to a hungry football fan during the half-time break.



As class advisors, Mrs. Kennedy and Mr. Brock are credited with doing an outstanding job of guiding the class of '71' through a most successful and prosperous year.



Mrs. Rita Kennedy



Mr. Harley Brock

President, Mark Linton, standing in for Vice-President, Julie Christinson, conducts one of the many meetings of this years Junior Class Council

CONCESSIONS: BIG MONEY MAKER

The Junior Class of 1970 made one of the biggest profits, in selling concessions during the football season, in the history of Ramona. Typical examples of the Juniors, turned salesmen are: Rick Durst, Debby Hanrahan, Julie Christinson, Willie Knowles, Marlene Foster, Travis White, and Nancy Shepard.

SOPHOMORES READILY ADAPT TO RAMONA ROUTINE AND TRADITION

The Sophomores job at a high school is to adjust to its curriculum. The adjustment for the Sophomore class this year has been relatively effortless. The Sophomore's first class project was the ordering of their class rings in the fall. They immediately started the construction of their Homecoming float. The emulous Sophomores shocked their upperclassmen by winning, for the first time in Ramona history, the Sweepstakes trophy. The Class of 1972 are looking forward to two more successful and prosperous years at Ramona.

The sophomore class advisors have inspired and shown an eager interest in their class. The guidance of Mr. Osborn (top) and Miss Raichart (right are around when needed to help the Sophomore class.

Mark Johnson presents his campaign speech to the Sophomore class assembly, which turned to victory for him.

The Sophomore Council listen with intent at a first semester council meeting. Members of the Sophomore Council are: Will Van Natta, Mark Johnson, Brenda Williams, Mary Sullivan, Gay Moore, Donna Singer, Marilyn Johnson, Pat Lutgen, Dorcia Hart, Sue Gladden, Caren Smith, Debra Crowe, Debbie Lewis, Naomi Maddox, Keith McCloud, Chris Smith, Susan Hostetler, Chris Manning and Pat Robinson.

The diligent and hard-working members of the Sophomore cabinet are: Mark Johnson, President; Pat Robinson, Vice-President; Caren Smith, Secretary; Will Van Natta, Treasurer; Debra Crowe, Social Activities; Gary Beck, Publicity.

Sophomores wait to hear the campaign speeches of their nominated officers in the Sophomore election assembly.
